RESOURCES AND SUPPORT
FOR PATIENTS AND CAREGIVERS
A cancer diagnosis can be a difficult and overwhelming experience for patients and their caregivers. We want you to know that we are here to help. This booklet contains a summary of some of the services and resources available to help you throughout your cancer journey. If at any time, you have questions or need help, talk to your clinicians or stop by the Resource Center (on the first floor inside the cafeteria, next to the cash registers) and we will do everything we can to assist you.
A cancer diagnosis can be a difficult and overwhelming experience for patients and their caregivers. We want you to know that we are here to help. This booklet contains a summary of some of the services and resources available to help you throughout your cancer journey. If at any time, you have questions or need help, talk to your clinicians or stop by the Resource Center (on the first floor inside the cafeteria, next to the cash registers) and we will do everything we can to assist you.
CLINICAL GENETICS SERVICE
If you have questions about your personal cancer risk, our Clinical Genetics Service can review your family medical history to help determine whether you should consider testing. Call 1-800-ROSWELL (1-800-767-9355) and an information specialist will complete a brief genetics questionnaire with you over the phone. You will be contacted at a later date about your appointment.

CLINICAL TRIALS
A clinical trial is a study designed to evaluate a promising new medical treatment. It includes research done to evaluate new ways to prevent and diagnose and/or treat cancer. When clinical trials identify new and effective treatments, these treatments will eventually become the new standard of care that will be offered to future patients. Today’s standard treatments were researched and proven by clinical trials done in the past. For more information on our clinical trials, call 1-800-ROSWELL (1-800-767-9355).

FINANCIAL ASSISTANCE PROGRAM
Cancer treatment can put a strain on your family’s finances. We have a Financial Assistance Program for patients who may have difficulty paying for their medical care. For more information, call 716-845-4782.

LANGUAGE ASSISTANCE
We offer a translation service that provides translations for more than 170 different languages. Medically trained interpreters are on call 24 hours a day, 7 days a week. For more information, call our Social Work Department at 716-845-8022.

LEGAL ASSISTANCE
As a result of your cancer diagnosis and treatment, you may need legal assistance with issues at your job or school, your treatment, your participation in a clinical trial not being covered by your insurance, or your loss of income and inability to pay your bills. Current patients and their families are eligible for one free, confidential legal consultation. Depending on the results, you may also qualify for free or discounted legal services. To make an appointment, call 716-845-1300 x6475 or email LegalCare@RoswellPark.org.

LODGING ASSISTANCE FOR OUT OF TOWN PATIENTS
Many nearby local hotels and hospitality houses in downtown Buffalo, Amherst, and Niagara Falls offer special rates for Roswell Park patients, their families, and visitors. Patients or family members who do not live in the Buffalo area and have Medicaid may also qualify for lodging assistance. For more information call 716-845-8022, go to www.roswellpark.org/visitors/lodging. You can also stop in the Resource Center, inside the cafeteria by the cash registers, for a lodging list as well as a guide to local shops, restaurants, and attractions.

OUTPATIENT PHARMACY SERVICES
Our Outpatient Specialty Pharmacy offers prescription services for any medication related to your care at Roswell Park including oral anti-cancer medications. Our experienced clinical pharmacists are available 24/7 to answer any questions or concerns you may have and to assist you with your prescription coverage benefits. Our pharmacy also provides free delivery services to your workplace or home within a 150 mile radius of Buffalo, NY. The pharmacy is open Monday – Friday from 9:00 a.m. to 6:00 p.m. and on Saturday from 9:00 a.m. – 1:00 p.m. It is located on the 1st floor of the hospital next to the cafeteria. For more information, call 716-845-8999.
PATIENT PORTAL – MYROSWELL®
MyRoswell® is a secure patient portal that allows you to see certain information from your medical record such as upcoming tests and appointments, current medications, and laboratory results. You can communicate with your care team through electronic messages, request a prescription refill, and make appointments with the option to have reminders sent to text, email, and voice call. To register, go to my.roswellpark.org and click on “MyRoswell” located in the top right corner. If you have difficulty, please call 1-800-ROSWELL (1-800-797-9355) for assistance.

SOCIAL WORK DEPARTMENT
Our social workers provide counseling to help you and your family cope with the many emotions that come along with a cancer diagnosis. They also help with practical concerns, such as:
• advanced care planning and health care decision-making
• caregiver resources
• palliative care and hospice information and referrals
• transportation arrangements and local lodging during treatment
• post-hospital care planning

For more information, call our Social Workers at 716-845-8022.

SPIRITUAL CARE SERVICES
Our patients come from many religious and cultural traditions and the Spiritual Care Department staff helps bring the comfort of your faith and belief system into Roswell. Staff Chaplains, Spiritual Care Visitors, and Eucharistic Ministers are available to visit patients Sunday to Saturday. We work with leaders of over 34 faith traditions who we can call upon if you want to speak to someone from your own tradition. The Meditation and Prayer Room is located on the first floor of the main hospital and is open to you and your family 7 days a week, 24 hours a day. Scheduled services for the week are posted on the door. For more information, call 716 845-8051.

YOUNG ADULT PROGRAM
Our Young Adult Program addresses the medical, psychological, social, and educational needs of young adults between the ages of 18 to 39 who are facing cancer. We can connect you with other young adult patients through monthly workshops and social events. Some of the issues we can assist with include fertility risks and fertility preservation options before starting cancer treatment. For more information, visit www.roswellpark.org/AYA or www.facebook.com/RoswellParkAYA, or email AYA@roswellpark.org.

If you have general questions about cancer or Roswell Park in general, call our information specialists at 1-800-ROSWELL (1-800-767-9355). They are ready to answer any of your questions, provide free literature, and assist you in finding the services you need. This service is available Monday through Friday from 9:00 a.m. to 5:30 p.m.
RESOURCE CENTER FOR PATIENTS AND FAMILIES

Our Resource Center for Patients and Families provides cancer patients and their families with a caring and personalized experience. We offer information, support, assistance, resources, and materials designed to educate and guide you through every step of your journey. We are open to all patients with cancer, their friends and families, healthcare professionals, students, staff, and the general public. Some of our services include:

• **Education and Support:** we have a library of general cancer information from Roswell Park clinicians as well as national patient organizations. Topics include nutrition, side effect management, caregiver support, relaxation techniques, and available resources. Our staff will help direct you to the information you need.

• **Complimentary Wig and Hat Program:** Our wig and hat program provides one free, new wig and hat for those who experience hair loss due to their cancer treatment. We have a private wig fitting area and professional stylists are available twice a week to custom fit your wig for no charge.

• **Look Good Feel Better® Program:** The Resource Center hosts the Look Good Feel Better® Program which teaches beauty techniques to help you manage the appearance-related side effects of your cancer treatment. Each workshop offers tips on skin care, makeup, nail care, and how to use wigs, scarves, hats, hairpieces, and other accessories. Participants will take home a customized, complimentary cosmetic kit. For more information or to sign up for a class, call the Resource Center at 716-845-8659.

• **Chemotherapy and Infusion Orientation:** New chemotherapy patients and their families are invited to come to the Resource Center where our patient education staff offers a personal orientation to the information and resources available during chemotherapy treatment.

• **Lending library:** We loan out laptops, tablets, books, DVDs, CDs, and DVD players. Laptops with Wi-Fi access and printers are also available in the Resource Center during business hours.

• **Inpatient room visits:** If you are an inpatient at Roswell Park but are unable to visit the Resource Center, we will come to you and bring you any information, wigs, hats, sleep caps, or blankets you need.

• **Comfort items:** With thanks to our many volunteers and community organizations we are able to offer our patients beautiful handmade hats, blankets, quilts, port pillows, sleep caps, paper flowers, and shawls as we receive them.

• **Referrals to Roswell Park Resources and Departments:** Roswell Park has many services and resources to help you during your cancer journey but it can be overwhelming to try to remember everything we have. We can help direct you to the services and departments who are available to help. Just stop in or call us whenever you have a question or need a referral.

The Resource Center is located on the 1st floor of the main hospital inside the cafeteria by the cash registers. We are open Monday – Friday from 9:00 a.m. – 4:00 p.m. For more information, please stop in or call 716-845-8659.
THE WOMEN’S RESOURCE CENTER
The Women’s Resource Center is located outside the Breast Center, on the 1st floor of the Clinical Science Center building. We provide breast and GYN cancer patients with information, support, assistance, resources, and materials. Our services include:

- **Education and Support:** we have a library of breast and GYN cancer information from Roswell Park clinicians as well as national patient organizations. Topics include nutrition, side effect management, caregiver support, and local resources. Our staff will help direct you to the information you need including referrals to local cancer support groups, financial assistance programs, and transportation resources.

- **Complimentary Wig and Hat Program:** Our wig and hat program provides one free, new wig and hat for those who are experience hair loss due to their cancer treatment. There is a private wig fitting area for your privacy and comfort.

- **Comfort items:** With thanks to our many volunteers and community organizations we are able to offer our patients beautiful handmade hats, blankets, quilts, pillows, sleep caps, paper flowers, and shawls as we receive them.

- **Prostheses:** We will assist you with referrals to local breast prosthesis and undergarment fitters.

- **Skin Care and Make-Up Classes:** We offer classes lead by local exerts on skin care and make up techniques to help you look and feel your best. All products in these classes are chemical-free.

- **Referrals to Roswell Park Resources and Departments:** Roswell Park has many services and resources to help you during your cancer journey but it can be overwhelming to try to remember everything we have. We can help direct you to the services and departments who are available to help. Just stop in or call us whenever you have a question or need a referral.

It is open Monday-Friday from 9:00 a.m. to 4:00 p.m. For more information, stop in or call 716-845-4432.
Receiving a cancer diagnosis can be overwhelming but being able to talk to someone who has been there before can be a tremendous support. Roswell Park offers several programs to help connect you with cancer survivors who have had similar experiences:

**CANCER COACH PROGRAM**
Our volunteer Cancer Coach program will match you with a cancer survivor who has had a similar diagnosis and cancer experience. Your coach will be a source of emotional support as well as a resource for information to help you navigate through your cancer treatment. For more information call the Resource Center at 716-845-8659.

**CANCER CONNECT ONLINE COMMUNITY**
Roswell Park’s online community is for anyone whose life has been touched by cancer – patients, family, caregivers, friends, etc. This community is a safe place to share concerns and triumphs, and find support from other people who share your experiences. The community is private and moderated by a Roswell Park nurse and patient educator and is available 24 hours a day, 7 days a week. To join, visit www.community.roswellpark.org.

**SUPPORT GROUPS**
Support groups provide an opportunity for patients, families, and friends to discuss concerns, ask questions, share information about Roswell Park and community services, and relate their experiences coping with cancer. There are a variety of support groups available that can help patients, families, caregivers, and friends learn more about cancer. For more information, visit www.roswellpark.org/support-groups or call 716-845-8022.
Our Supportive Care Center brings together many of Roswell Park’s clinical and supportive services, specifically designed for cancer patients at every stage of their cancer journey. The Supportive Care Center is located on the 3rd floor of the new Scott Bieler Clinical Sciences Center.

To make an appointment for a consultation with any member of our team, call 716-845-4800, option 1.

SURVIVORSHIP PROGRAM
Dealing with life after cancer begins with the search for helpful, timely, and accurate information on all aspects of survivorship. We offer a wide range of services and programs to help you manage the emotional, physical and spiritual challenges as you move beyond treatment. In our Survivorship Program we can help you:
• detect and manage any complications or side effects from your diagnosis or treatment.
• develop a long-term personalized survivorship care plan according to your specific diagnosis and treatment history which can include dental care, vaccinations, nutrition counseling, difficulty with intimacy and/or fertility, and management of symptoms such as fatigue, sleep.
• offer social support and counseling including pastoral care and support groups to help you address post-treatment adjustment, anxiety and stress.
• pain management to help you find relief from new or ongoing symptoms.
• rehabilitation services, including physical, occupational and speech therapy and lymphedema treatment.

SUPPORTIVE AND PALLIATIVE CARE
Our Supportive and Palliative Care Program focuses on symptom control and pain management with regard for the emotional, social, and spiritual needs of our patients and their families. We offer support to newly diagnosed cancer patients as well as those with advanced disease, even while in treatment.

Our Supportive and Palliative Care Program offers the following services:
• symptom management including pain, nausea, vomiting, loss of appetite, agitation, anxiety, and shortness of breath
• assistance with questions about advance directives
• counseling services for emotional or spiritual support
• planning for continuing care needs
• legal assistance or financial concerns

PSYCHOLOGY DEPARTMENT
Anxiety and depression are among the most common symptoms patients experience after a diagnosis of cancer. Our psychologists can help guide you through these challenging times. Their expertise can also assist with cognitive function, fatigue, pain, sexual function; sleep disorders and factors related to a healthy lifestyle, as well as provide family support.

SCREENING AND SURVEILLANCE
Cancer screening tests help detect cancer long before symptoms appear, and the cancers found through routine screening are generally smaller and at an early stage when treatment is most effective. Our Cancer Screening Center offers a comprehensive cancer education, screening and prevention program, and provides screenings for these cancers: breast, cervical, colorectal, lung, prostate, skin. Screening services at Roswell Park are available to everyone, not just our patients.
Roswell Park integrates wellness initiatives into our cancer care. We believe in the benefits of treating the mind, body, and spirit of our patients. Our wellness programs aim to provide you with personalized support as you progress through your cancer journey. See a full list of all upcoming Wellness events on our online calendar at www.roswellpark.org/wellness.

**ARTS IN HEALTHCARE**
Studies have shown that music and visual arts can have positive effects on those affected by cancer. Art activities can reduce anxiety, depression, pain, and fatigue and increase quality of life in patients with cancer. The artists in Roswell Park’s Arts in Healthcare Program offer creative outlets to our patients and their caregivers throughout the hospital. Call 716-845-1550 to speak with an artist or schedule a visit.

**GUIDED MEDITATION AND MINDFULNESS**
Mindfulness is a mental state achieved by focusing one’s awareness on the present moment, while calmly acknowledging and accepting one’s feelings, thoughts and bodily sensations. Research has supported this therapeutic technique for many facets of health and wellness. Roswell Park periodically offers both guided meditation sessions and mindfulness classes for patients and caregivers. For more information call 716-845-1664.

**LIFE RECORDED**
Life Recorded, inspired by StoryCorps®, is a program for our patients and caregivers that will record your memories to share with your loved ones. Bring your loved ones together to share memories, thoughts, advice and insights. Audio or video recordings can be scheduled by calling the Spiritual Care Department at 716-845-8051.

**PAINT NIGHTS**
The Wellness Program sponsors paint nights for patients and their friends, family and caregivers. No artistic ability or painting experience is necessary. This is just a night where you can be creative, and messy, and enjoy one another’s company. To learn more about Paint Nights or register for our next class, call 716-845-1664.

**REIKI (BIOFIELD THERAPY)**
Reiki is an energy medicine, or biofield therapy, incorporating various hand techniques to balance the human energy field and energy centers. Reiki sessions are currently being offered Tuesdays, Wednesdays, and Thursdays, from 11:00 a.m. – 2:00 p.m. on the 3rd floor of the Scott Bieler Clinic Sciences Center, inside the Survivorship and Supportive Care Clinic. For more information, call 716-845-4800, option 1.

**WELLNESS EVENTS**
Roswell Park periodically presents Wellness Events where patients, caregivers, and the general public can learn more about complementary therapies from community providers. Complementary medicine includes products or practices that might relieve the side effects of your cancer treatment. Wellness topics have included acupuncture, massage therapy, herbal products, aromatherapy, yoga, skin care, and meditation. For more information, call 716-845-1664 or check our online calendar www.roswellpark.org/calendar.

**YOGA**
Yoga is a whole body philosophy that involves working with breathing, stretching exercises, postures, and meditation. Yoga has been found to help reduce anxiety, depression, fatigue, and stress for cancer survivors, while also improving sleep and overall quality of life. Free yoga classes are offered on Tuesday evening for both patients and caregivers. For more information or to sign up for a class, call 716-845-4800, option 1.
Treatment and Side Effect Management

**ACUPUNCTURE**
Acupuncture has been found to help manage many of the long-term effects of cancer treatment, such as pain, fatigue, anxiety, difficulty sleeping, and digestive complaints. It focuses on the movement of a person’s energy flow and can help you regain and maintain your health and well-being. For more information or to make an appointment, call 1-800-ROSWELL (1-800-767-9355).

**ASSESSMENT & TREATMENT CENTER**
Roswell Park’s Assessment and Treatment Center (ATC) will support you when you are sick with an urgent, but non-life threatening medical issue. The ATC is open 24 hours a day, 7 days a week. If you feel sick during business hours, call Roswell Park clinic. After hours and on weekends and holidays, call 716-845-2300 and you will be evaluated by our triage nurse.

The ATC is not an emergency room and it does not accept walk-ins. To be seen in the ATC, you need to be referred by your Roswell Park physician or the triage nurse.

In the case of a life-threatening emergency, you should always dial 911.

**CANCER PAIN MANAGEMENT SERVICE (CPMS)**
Our Cancer Pain Management Service uses a team approach to reduce pain in cancer patients. Anesthesiologists, psychologists, nurses, physical and occupational therapists, social workers, and nutritionists work together to develop a comprehensive pain management plan for you. If you would like a referral to our pain management service, please talk to your doctor or call 716-845-4595.

**DENTAL CARE**
Cancer patients have unique dental and oral health needs that require the expertise of dental professionals with oncology experience. Our Dental & Maxillofacial Services team will monitor your oral health before, during and after treatment and work to prevent and manage oral complications from cancer treatments. For more information about oral and dental health, or to schedule an appointment, contact the Department of Dental & Maxillofacial Services at 716-845-5970.

**MEDICAL CANNABIS (MARIJUANA) PROGRAM**
Medical cannabis has been shown to help with some common symptoms of cancer patients including pain, nausea, vomiting, and muscle spasms. If you are interested in more information on medical cannabis, contact our Supportive and Palliative Care team at 716-845-1619.
NUTRITION DEPARTMENT
If you are dealing with nutrition issues as a result of your cancer diagnosis or treatment, the clinical dietitians in our Nutrition Department can:
• assess your nutritional status and help you meet your nutrition needs
• help you manage treatment side effects that affect your nutrition
• educate you on the diet therapy prescribed by your doctor
• provide counseling on healthy diet and cancer prevention strategies
• provide tube feeding or IV nutrition recommendations
• direct you to reliable resources for nutrition information

If you would like to speak to a clinical dietitian, ask your nurse to arrange a consultation, call the Clinical Nutrition Department at 716-845-2398.

FERTILITY PROGRAM
Cancer treatments can sometimes be accompanied by unavoidable, life-altering side effects. For young adults, one of these side effects can be infertility. Our Oncofertility Program can assist young adult patients with:
• fertility preservation, including preservation of egg, sperm or embryos, or medications to preserve ovarian function during chemotherapy or radiation/cancer therapy. Thanks to donations to the Roswell Park Alliance Foundation, assistance may be available to help offset the costs associated with the preservation.
• review of planned cancer treatment, including discussion of possible risks to fertility, based on treatment regimens.
• review of costs and options for financing procedures such as in vitro fertilization (IVF). Roswell Park is able to offer some financial assistance, thanks to funding from the Livestrong Foundation.
• answering common questions about average success rates or any costs beyond the funding we provide.

The Oncofertility Program is available seven days a week. If you would like more information, ask your physician for an oncofertility consultation or call 1-800-ROSWELL.

REHABILITATION SERVICES
Rehabilitation Services provide physical, occupational, and lymphedema therapy specifically designed for cancer patients and survivors before, during, and after cancer treatment. Our rehabilitation team will create a personalized plan of care to address your needs. Talk to your health care provider for a referral to Rehabilitation Services or call 716-845-3271 to make an appointment for a consultation.

TREATMENT FOR TOBACCO DEPENDENCE
Smoke-free cancer patients feel better during and after treatment and have a better chance of recovery. If you are a tobacco user, whether you are ready to quit or just thinking about it, we can help. Our Tobacco Treatment Specialists will create a treatment plan tailored to you to help you increase your confidence and motivation to quit tobacco. We reach out to all patients who use tobacco but you can also contact us directly by calling 716-845-1300 x7851 or email us at treattobacco@roswellpark.org.

The NYS Smokers Quitline also offers live telephone coaching, support materials, and social support at 1-866-NY-QUITS (1-866-697-8487) and on their website: www.nysmokefree.com
The American Cancer Society (ACS) offers programs and services in the Western New York region to provide patients and their families with educational information, day-to-day help, and emotional support—all free of charge. Below are some examples of what is available:

- **Reach To Recovery®** connects you with a trained volunteer to talk about your breast cancer diagnosis and treatment. Our volunteers are breast cancer survivors, so they know the questions and concerns you may have.

- **I Can Cope®** classes provide a quick and convenient way for patients and caregivers to get the answers they need, when they need them. Classes are self-paced and topics include pain, fatigue, nutrition, communication, intimacy, side effects, and more.

- **Road To Recovery®** Program provides free rides to and from treatment for those who need one.

For more information, visit www.cancer.org or call 1-800-227-2345.

The Breast Cancer Network of WNY (BCN) offers programming, education and support to those impacted by breast cancer from diagnosis through survivorship. Our programming includes:

- **Cancer Support Groups**: BCN hosts and sponsors several breast cancer support groups throughout Western New York.

- **Restorative Health and Exercise**: BCN offers affordable exercise classes to all that would like to attend.

- **Monthly Education Series**: Prominent members of the breast cancer community discuss the latest information available.

- **Financial Assistance**: BCN offers a financial aid program designed to help those experiencing financial hardships during a breast cancer diagnosis.

For more information, visit www.bcnwny.org or call 716-706-0060.

Camp Good Days and Special Times, Inc. is dedicated to improving the quality of life for children, adults, and families whose lives have been touched by cancer through summer camping experiences and year-round events and activities. All of the programs and services at Camp Good Days and Special Times are offered free of charge for the participants. Camp Good Days maintains their own recreational facility, located on the shores of Keuka Lake, where the residential camping programs take place. For more information, visit www.campgooddays.org or call 585-624-5555 or 1-800-785-2135.
LEUKEMIA AND LYMPHOMA SOCIETY
The Leukemia and Lymphoma Society (LLS) provides free information, education and support services for those who are impacted by blood cancer. Some of their services include:

- **Patient Financial Assistance Program** offers financial support toward the cost of insurance co-payments and/or insurance premium costs for prescription drugs.
- **Information Specialists** assist you through cancer treatment, financial and social challenges and give accurate, up-to-date disease, treatment and support information.
- **Caregiver Support** offers individual support, tools, and resources for caregivers of patients with blood cancers to assist with the financial and social caregivers face.
- **First Connection Peer-to-Peer Support** matches patients and their loved ones with trained peer volunteers who have shared similar experiences. Patients and their family members are matched with peer volunteers based on diagnosis, age, gender and other factors that might create a mutual understanding and ease of communication. Peer volunteers are trained in basic counseling skills, are regularly updated about LLS and community resources, and are committed to confidentiality.
- **Family Support Groups** gives patients and their families a place to go where they can share information, education and feelings in a comfortable and caring environment.

For more information, visit www.lls.org/western-central-new-york or call 716-834-2578.

LIVESTRONG AT THE YMCA
LIVESTRONG is a physical activity program designed specifically for cancer patients. The goal of the 12-week program is to help participants regain strength, stamina, and self-esteem while connecting with fellow cancer patients in a welcoming community environment. LIVESTRONG is offered at no cost. To learn more about the LIVESTRONG program, call the following YMCA branches nearest your home: Amherst 716-276-8319, Kenmore 716-874-5051, Lockport 716-434-8887, West Seneca 716-674-9622.

MAN UP (MINORITIES ALLIED FOR THE NEED TO UNDERSTAND PROSTATE CANCER)
African-American and Latino men are more likely than Caucasian men to develop prostate cancer. MAN UP is a volunteer organization comprised of mostly African-American and Latino men, including many who are prostate cancer survivors themselves. The group’s mission is to raise awareness and encourage early detection of prostate cancer. Working in conjunction with Roswell Park staff, MAN UP creates and distributes educational materials to help men of color make informed decisions about prostate cancer screening, treatment, and survivorship. For more information, call 716-845-4557.

US TOO
Us TOO is a grassroots organization created by prostate cancer survivors for prostate cancer survivors, their spouses/partners, and families. The group focuses on delivering reliable, up-to-date information to help men make informed choices in the detection and treatment of prostate cancer. Us TOO also works to enhance the quality of life for everyone affected by prostate cancer. For more information, visit www.ustoo.org or call 1-800-808-7866. For information on local Us TOO support groups call 716-834-9200, x5169.

WNY OVARIAN CANCER PROJECT
The WNY Ovarian Project's mission is to educate the Western New York community on the symptoms and risks of ovarian cancer and to provide information on support and networking for women diagnosed with ovarian cancer. Programs for women with ovarian cancer include:

- **Comfort & Hope Totes:** These totes are given free to every woman newly diagnosed with ovarian cancer through the Roswell Park Gynecologic Oncology Center. They are filled with items to take along to chemotherapy appointments, and send a message hope from women who have been on the journey and are extending a hand of understanding and support.
- **Support Groups:** The WNY Ovarian Cancer Project provides two professionally facilitated support groups.

For more information, visit www.wnyovariancancerproject.org, email info@wnyovariancancerproject.org or call 716-675-0301.
IF YOU HAVE ANY QUESTIONS OR NEED MORE INFORMATION, PLEASE CALL US AT 716-845-2300. ASSISTANCE IS AVAILABLE 24 HOURS A DAY.
