WHAT PATIENTS ARE SAYING...

“I found the extra support and tools that I needed to quit.”

“It’s nice to relate to other patients who are facing the same struggles... I like that we quit together.”

“Thank goodness Rich called me.”

ROSWELL PARK TOBACCO TREATMENT SERVICE
- Increase your readiness, confidence and motivation to quit
- Develop a tailored quit plan with you
- Provide tools to make quitting easier
- Offer you convenient telephone and/or group treatment sessions

YOUR TREATMENT PLAN WILL BE TAILORED TO YOUR NEEDS.
WE WILL:
- Increase your readiness to quit
- Increase your confidence and motivation to quit
- Recommend medications to help you quit
- Address barriers to quitting tobacco

UNDERSTAND AND MANAGE BARRIERS TO QUITTING
Together, we will overcome barriers to quitting. Common barriers include stress, negative emotions, habits, withdrawal symptoms, and challenging situations.

MEDICATIONS HELP
To find the best medication options for you, your Tobacco Treatment Specialist will work with:
- Your Cancer Care Team
- The New York State Smokers’ Quitline
- Your health care plan
- Your primary care provider

COMMITTED TO YOUR SUCCESS
QUITTING TOBACCO HELPS TO:
- Make your cancer treatment more effective
- Reduce side effects
- Reduce your chances of cancer recurrence
- Lower your risk of death from other causes
