

DID YOU KNOW

YOU CAN SIGN UP YOUR CAREGIVERS TO RECEIVE
SURGERY UPDATES VIA TEXT MESSAGE?

My.RoswellPark.org

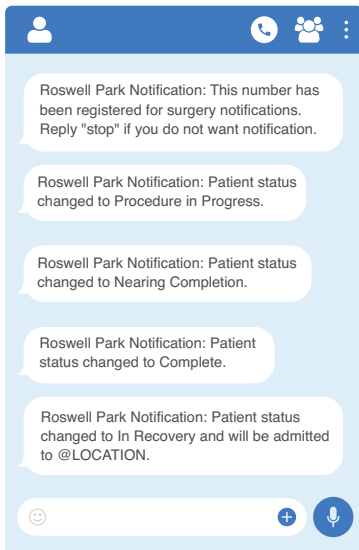

There are **two** ways to sign up caregivers for text message surgery updates

OPTION ONE:

If you have NOT registered for your patient portal:

The surgical office staff would be glad to assist. Just tell them, or have your caregiver tell them, which cell phone number to text message. The phone number you provide will be sent these updates:

OPTION TWO:

If you have registered your patient portal,
simply log-in and follow these four steps:

[1]

Go to **My.RoswellPark.org** and
log into the Patient Portal

The screenshot shows the MyRoswellPark.org website. On the left is the 'Sign In' section with fields for 'Your Email' (containing 'jones') and 'Your Password' (containing '*****'). Below these are links for 'Forgot Your Email?' and 'Forgot your password?'. A green 'Sign In' button is at the bottom. On the right is the 'Sign Up' section with a heading 'Get easy access to your medical records, health information, sign up for appointment reminders and keep in touch with your care team.' Below this is a note: 'Need a little help with registering? We've got you covered. Click here for help.' and a blue 'Register' button. At the very bottom, a small disclaimer states: 'MyRoswell is a secure website for patients' medical records and is also a new communication tool for patients to reach their treatment team.'

The following messages
will be received:

The screenshot shows a mobile app interface with a blue header bar containing icons for a person, a speech bubble, a group of people, and a menu. Below the header is a list of five notification messages in white speech bubbles on a light blue background:

- Roswell Park Notification: This number has been registered for surgery notifications. Reply "stop" if you do not want notification.
- Roswell Park Notification: Patient status changed to Procedure in Progress.
- Roswell Park Notification: Patient status changed to Nearing Completion.
- Roswell Park Notification: Patient status changed to Complete.
- Roswell Park Notification: Patient status changed to In Recovery and will be admitted to @LOCATION.

At the bottom of the screen is a white input field with a smiley face icon on the left and a blue button with a plus sign and a microphone icon on the right.
