Room Service

DINING MENU

Welcome

Nutrition & Food Service is pleased to offer hotel-style room service for your meals. This service is an extension of our commitment to providing excellence in patient care.

To place your order, simply dial **8888** on your room phone any time between 6:45 am and 6:30 pm; or you may call **845-8888** from outside the hospital. Meals are made to order and your meal will be delivered within 30 minutes of placement of your order.

Guest Meal Program

Guests and family members are invited to dine with you, right in your room, ordering from the same menu.

Guest meal tickets are available for purchase at the cashier's station located in the Sunflower Café (1st floor). They can be purchased for any meal service and you may purchase as many as you need. They are also completely refundable.

Special Diet Considerations

If your doctor has placed you on a special or restricted diet, or if you are scheduled for certain tests, your selections may be restricted. The Call Center Hostess will be able to assist you in making appropriate menu item selections that align with your diet order.

If you require special menu items, such as Kosher or Gluten Free, our Call Center Hostess will let you know which specialty items are available to meet your needs.

Key

Items on our menu are marked accordingly to assist you with your selections:

- (#) indicates a carbohydrate choice
- **v** indicates a low-fat choice
- § indicates an item high in sodium

For Our Patients on a Diabetic Diet

Carbohydrates are noted on your menu to help you manage your blood sugar.

One carbohydrate choice equals **15 grams of carbohydrate**, and is noted by the number within the parenthesis next to each food or beverage containing carbohydrate **(#).**

The average diabetic diet includes 4 to 6 carbohydrate choices per meal. If you have questions about your carbohydrate goals, ask to speak to your dietitian.

Note: You may need your blood sugar checked before eating to assure your medications for glucose control are delivered properly. Please **notify nursing staff** after you order room service to assure your medications are timed with your meal.
