Walk of Life & Gardens of Hope Dedication Ceremony

Dr. Roswell Park IV, Walk of Life Chairman, and Dr. Candace Johnson, Roswell Park President & CEO, are speakers at the event.

The Helfer Family poses for a group photo while paying tribute to their loved one with a bench on the Roswell Park campus at the dedication ceremony.

Each attendee receives flowers to lay down on their brick, paver, tree, planter or bench.

Over 300 guests attend the Walk of Life Dedication ceremony held every summer.

Dear Friends,

As the chairman of the Walk of Life and Gardens of Hope program at Roswell Park Cancer Institute, I invite you to celebrate that special person in your life by purchasing a personalized brick, paver, tree, planter or bench in their honor or memory.

The Walk of Life is located in our beautiful Kaminski Park adjacent to the Institute. This exquisite area offers you the opportunity to pay tribute to a beloved family member, friend, co-worker or health care provider.

There are also other options on campus such as the Research Studies Center Gardens. And with your personal inscription, you will create a legacy that will last forever.

Roswell Park

Roswell Park IV, PhD
 Chairman, Walk of Life and Gardens of Hope Program

Tribute to Mr. Waldemar Kaminski 1917-2006

Kaminski Park was one man's vision. "Mr. K," as he was known, was a humble man who wanted a place for Roswell Park patients and their families to share special moments together.

Thanks to his foresight and very generous donation, the Park was designed and built in 2000. To honor his request, the Park was known as WJK Park during his lifetime. Upon Mr. K's passing in the summer of 2006 at age 88, we were honored to rename the park, with his prior consent, as Kaminski Park.

In addition to being a wonderful respite at the Institute for everyone, Kaminski Park has become a venue for community events and celebrations offering moments of tranquility and enjoyment to the RPCI family, its patients and the community at large.

One humble man, one gift, touching so many lives.
