Roswell Park's Assessment & Treatment Center Has You Covered, 24/7/365

If you're a Roswell Park patient and you experience urgent symptoms that are not life-threatening, call Roswell Park to request a referral to the Assessment & Treatment Center (ATC). Thanks to generous donations to the Roswell Park Alliance Foundation, the ATC is now open 24 hours a day, every day of the year.

Here's what to do:

- During regular business hours, call your Roswell Park clinic. They will determine if a referral to the ATC is appropriate. After business hours, call **716-845-2300**.
- A physician will notify the ATC if a referral has been made for you. You will be asked to come to the ATC on the second floor of the Roswell Park Hospital as soon as possible.
- Your records and referral will be waiting for you when you get to the ATC.

In a life-threatening emergency, call 911.

Please note that the ATC is not an emergency room or walk-in clinic. You must have a referral from your Roswell Park physician or the physician on call to be seen in the ATC.
