

Benefits Overview

HEALTH, DENTAL & VISION INSURANCES

Roswell Park offers a comprehensive insurance program to employees who are in a benefit-eligible status. Benefits are administered at Roswell Park and managed through the New York State Health Insurance Program (NYSHIP). Below is a brief outline of the health, dental and vision programs. Questions regarding these programs may be directed to a representative in Employee Benefits.

Health Insurance

Health insurance coverage begins eight (8) weeks following date of hire. Enrollment in health insurance through NYSHIP is optional. The use of participating providers with each plan will ensure the maximum benefit.

The “Choices” booklet lists the health insurance plans offered through NYSHIP. This book outlines the insurance plans that are available to benefit-eligible employees based on the county in which you reside and/or work.

Coverage and costs vary by plan, and Roswell Park pays a portion of the cost for coverage. The employee’s share of the premium is made via payroll deduction, on a pre-tax or after-tax basis. Employees will have the option to change their health insurance coverage each year during an option transfer period. The costs below represent the employee’s pre-tax/after-tax contribution made via biweekly payroll deduction. It is recommended that you compare the biweekly rates noted to the deductions in your paychecks and contact the Employee Services Office immediately with any issues or concerns.

RETIREMENT

New York State & Local Employees’ Retirement System (NYSERS)

The New York State & Local Employees’ Retirement System (NYSERS) is a defined benefit plan that uses a formula based on an employee’s years of service, age at retirement, and final average salary to calculate the retirement

benefit. Employees enrolled in NYSERS on or after April 1, 2012, belong to Tier 6. Employee contributions are deducted on a pre-tax basis from their biweekly paychecks for the length of their service. Effective April 1, 2013, the contribution rate for Tier 6 employees is variable based on salary. The variable contribution rates are:

Annual Wage	Contribution Rate
\$45,000 or less	3%
\$45,000.01 to \$55,000	3.5%
\$55,000.01 to \$75,000	4.5%
\$75,000.01 to \$100,000	5.75%
More than \$100,000	6%

After 10 years of creditable service, an employee is considered vested and has earned the right to receive a pension even if the employee should separate from employment at the Institute. Employees who separate before completing 10 years of full-time service may also choose to withdraw their contributions.

Employees working in full-time, permanent positions are required to join NYSERS. However, employees in temporary full-time, temporary part-time, permanent part-time or student/training positions have the option to join but are not required. If you are not required to join and wish to decline NYSERS membership at this time, you will need to complete the “Acknowledgement of Waiver of Membership in NYSERS” form.

For enrollees, you will be receiving a welcome packet from the NYSERS shortly after your membership date. More information may also be obtained online at www.osc.state.ny.us/retire.

Deferred Compensation Plan

The New York State Deferred Compensation Plan (NYSDCP) is a State-sponsored voluntary retirement savings plan. All employees have the option to participate in the NYSDCP 457(b). If you have an existing 401(k) or 403(b) plan, you have the option to rollover your funds into this plan. Employees may elect to contribute a flat dollar amount or a percentage of their gross wages to be deducted pre-tax or after-tax from their biweekly paychecks. The minimum deferral cannot be less than 1% of the employee’s gross salary or less than \$10 per pay period. Employees may cancel or change their deferral amounts at any time by completing a deferral change form. The deferral limit for contributions is determined annually by the Internal Revenue Service. The Age 50 and Over Catch-Up provision allows participants who are age 50 and over or who will become 50 during the calendar year to make additional contributions. Please visit the NYSDCP website at www.nysdcp.com for additional information.

OTHER BENEFITS

Flexible Spending Accounts

The Flex Spending Account (FSA) is a valuable employee benefit that allows employees to pay for eligible health care and dependent care expenses with pre-tax money. Under this program, there are two benefits:

- The Health Care FSA allows you to set aside up to \$2,650 in pre-tax salary to pay for out-of-pocket medical expenses for you, your spouse and any tax dependents. Your coverage will begin 60 days after you enroll in the plan.

- The Dependent Care FSA allows you to set aside up to \$5,000 in pre-tax salary for out-of-pocket childcare and/or elder dependent care expenses. Employees must receive a regular biweekly paycheck in order to enroll. Enrollees are eligible for an employer contribution, and the amount contributed is based on an employee's salary.

Employees must use all the money in their account by the end of the calendar year. Money does not roll over into the new plan year. As a new hire, you have 60 days from your date of hire to enroll at www.flexspend.ny.gov or by calling 1-800-358-7202. PEF Optional Benefits

PEF employees have several optional benefits available to them through their union including life insurance, short-term disability and long-term disability. For additional information, please call 1-800-342-4306, ext. 243.

Pre-Tax Salary Conversion Plan

Under the Medical Premium Salary Conversion Plan, all employees who participate in the health insurance program will have their bi-weekly premium health insurance contribution deducted on a "pre-tax" or "post-tax" basis. Pre-tax means that the deduction is taken from your paycheck before taxes are calculated, thereby reducing your taxable income and increasing your spendable income. Post-tax means that the deduction is taken from your paycheck after taxes are calculated.

Election of pre-tax deductions does place restrictions on what changes you can make to your coverage during the plan year. Under this plan, IRS regulations require Roswell Park to take a fixed pre-tax contribution toward your coverage throughout the entire plan year unless a qualifying event occurs. This means, that without a qualifying event, you cannot voluntarily cancel coverage or change from family to individual coverage (unless you no longer

have any eligible dependents). Any changes requested following a qualifying event must coincide with that qualifying event and the Employee Benefits office must be notified within 30 days of a qualifying event.

Employees who want additional flexibility with their health insurance may want to consider having their deduction taken on a post-tax basis. This means that deductions are taken from your check after taxes, thus you do not receive a tax break on your health insurance deduction. Employees who may want to make changes to their level of coverage throughout the year without having a qualifying event may want to consider this option.

If you would like to have your health insurance premium deducted on a post/after-tax basis, you will need to make this election upon enrollment in coverage or during the Annual Open Enrollment Period.
