

# Scott Bieler Clinical Sciences Center

This critical expansion allows Roswell Park Cancer Institute to provide comprehensive cancer care to meet a growing demand while freeing up space in the main RPCI hospital so that existing patient-care programs can be expanded.

## Points of Interest

- Located on Carlton Street at Michigan
- Adjacent to and accessible from the RPCI main hospital
- 142,000 square feet, 11 stories
- The first new construction on the Roswell Park campus since 2007 and the comprehensive cancer center's first clinical expansion since 1998

## Design Details

- Roswell Park patients from the Patient & Family Advisory Board participated in design and planning.
- Every floor features scenic views of the Buffalo skyline.
- Contemporary design brings together both glass and natural materials, including terra cotta.
- High ceilings and extensive use of natural light compliments spacious layout.
- Soothing earth tones are prominent throughout interior and exterior design.
- Architect: FXFOWLE

## Community Support

This **\$50.5 million** project has been realized through generous support from the community.

### FUNDING SOURCES INCLUDE:

- **\$6.3 million** from federal New Markets Tax Credit program
- **\$32.7 million** in philanthropic donations through the **Making Room to Save Lives Campaign**, co-chaired by Donna Gioia and Scott Bieler.

- ♦ *The Patrick P. Lee Foundation\**
- ♦ *Stanford and Judith Lipsey\**
- ♦ *Al and Kit Maroone*
- ♦ *The Estate of Lawrence Minet, PhD\**
- ♦ *New Era Cap*
- ♦ *The John R. Oishei Foundation*
- ♦ *The Ralph C. Wilson, Jr. Foundation\**
- ♦ *Ride For Roswell Donors*

**\* Member of the Circle of Ten, \$1 million donors who supported this project in its earliest phases.**

# Centers located in the CSC

**Breast Oncology Center** This center offers the latest in diagnosing, treating and managing benign and malignant breast tumors in women and men. The center also provides risk assessment and supportive services.

**Breast Imaging Center** This space will allow RPCI to perform thousands of additional screening mammograms, annually. Services available include screening and diagnostic mammography, ultrasound and stereotactic biopsy.

**Survivorship & Supportive Care Center/Adolescent & Young Adult Center** These centers will meet the ongoing needs of cancer survivors. Services include pain management, palliative care, nutritional services, complementary medical care, psychosocial services and screening.

**Chemotherapy & Infusion Center** Increasing RPCI’s current capacity, this center contains treatment rooms and infusion bays, all overlooking scenic views of the city.

**Gynecology Center** Diagnosing, treating and managing all cancers of the female reproductive system, this center offers advanced screening approaches and cutting-edge therapies.
