Instructions to modify membership to Roswell

\"flowcyto\flowresearch$\PI\name\" network folders

Open your internet browser and type in this ULR address:

https://groups.roswellpark.org

You will be taken to Roswell’s folder manager:

On the left hand side select Manage My SGs:
Select the folder you want to modify membership to:

Type in a name in the “To Add” box or “To Remove” and use the green check to find that name in the active directory.

You may also select the “Owners” tab to see who owns and has rights to make changes to this folder.

Click “OK” to finalize folder membership modifications.
