<b>Title:</b> EQUIPMENT CONTROL	<b>Revision:</b> <b>2</b>	<b>Effective Date:</b> 1/7/13
<b>Prepared by:</b> Finance Department	<b>Approved by:</b>  Michael B. Sexton, General Counsel	<b>Page:</b> 1 of 4

## A. GENERAL STATEMENT OF POLICY

It is the responsibility of the Asset Management Office to maintain records of all equipment at the Roswell Park Cancer Institute (RPCI) campus. Asset Management keeps computerized listings, verifies departmental physical inventories and coordinates disposal of surplus in accordance with State and RPCI policy.

## B. SCOPE

Asset Management procedures apply to all areas of the RPCI campus, including Health Research, Inc. Roswell Park Division (HRI) and the Roswell Park Alliance Foundation.

## C. ADMINISTRATION

This policy will be administered by the Asset Management Office of the Finance Department.

## D. POLICY / PROCEDURE

**Definition:** For inventory purposes, goods will be considered equipment if they have a useful life of over two years and a purchase price of over \$5,000, and personal computers regardless of cost. Items that do not meet these criteria will be regarded as supplies.

This policy describes the procedures for equipment controls as follows:

- Section 1 - New Equipment
- Section 2 - Equipment Moves
- Section 3 - Equipment Loans
- Section 4 - Equipment Disposals

### 1. New Equipment:

- a. Upon receipt of new equipment, and prior to the delivery to the appropriate department, Receiving and Stores will affix an inventory tag to the item and note the tag number of the receiving documents.
- b. A copy of the RPCI delivery ticket or HRI purchase order number and the tag number will be sent to Asset Management.
- c. Asset Management will enter each piece of equipment into a computerized inventory system.

## 2. **Equipment Moves:**

- a. When a piece of equipment is to be transferred to another department or office, a requisition should be submitted directly to Housekeeping via the RPCI internal website. This should be done by the department that is removing the equipment.
- b. Once the equipment has been moved to its new location, the department that the equipment was moved from must send a completed "[Notification of Equipment Transfer Form](#)" to the Asset Management Office.
- c. When the equipment move has been completed and notification has been received, the Asset Management Office will make the necessary updates to the RPCI equipment inventory.

## 3. **Equipment Loans**

All employees are expected to refrain from using assets of the organization for personal use. Employees are prohibited from the unauthorized use or taking RPCI's equipment or supplies. Prior to temporary removal of equipment from the RPCI campus, written approval must be obtained from the appropriate department administrator. Also see [Institute Policy #105.1](#) - Use of RPCI Resources.

- a. A written request for an equipment loan must be initiated by the employee seeking the equipment loan.
- b. The written request should be prepared on a "[Request for Approval of Equipment Loan](#)" form. The employee must supply ALL information requested on this form.
- c. The written request must be approved by the Department Head and then forwarded to the Vice President for Finance or the PBC Controller or Director of HRI.
- d. If the Vice President for Finance or the PBC Controller or Director Director HRI approves the loan of equipment, copies of the approval will be sent to the Department Head and to the Security Department. The signature of the person authorizing the loan of the equipment must appear on the approval form.
- e. The original approval will be sent to the Asset Management Office.
- f. The Asset Management Office will maintain a file of all equipment on loan outside the Institute.
- g. When loaned equipment is returned to the Institute, it is the Department Head's responsibility to inform the Asset Management Office of its return.
- h. The Asset Management Office will follow-up on items that are not reported returned by the return date indicated on the request form.
- i. The Asset Management Office will submit a status report on loaned equipment to the Vice President for Finance and the Security Department on an annual basis.
- j. Equipment out on loan should be so noted on any equipment inventory completed during the period of the loan.
- k. A new form must be completed every six months.

## 4. **Disposals**

### a. Definitions

- i. Disposal - transfer of ownership via sale or trade in or other beneficial interest in personal or real property including discard.
- ii. Property
  - All real property
  - Personal property in excess of \$5,000
- iii. Contracting Officer - The officer or employee who shall be appointed by resolution of the Board to be responsible for the disposition of qualified property.

b. 2005 Public Authorities Accountability Act

- i. The enactment of the Public Authorities Accountability Act restricts the disposal of property with a fair marketing value (FMV) in excess of \$15,000.
- ii. Before any property can be removed the fair market value must be determined.

c. Disposal of Property with a FMV over \$15,000 excluding HRI property

- i. When a department wishes to dispose of an asset, including trade-ins, they must notify Assessment Management. If the original purchase price exceeds \$15,000, the FMV must be determined.
- ii. The FMV will be determined and documented through discussion between the disposing department and the Purchasing Department, and forwarded to the Contract Officer for approval. The approved document on the FMV must be sent to the Asset Management office. Documentation on how the FMV was determined must be maintained.
- iii. Items with a FMV in excess of \$15,000 must be publicly advertised for bids.
- iv. The Purchasing Department will publicly advertise the asset.
  - The asset must be advertised for no less than 30 days.
  - the asset must be advertised in the NYS Contract Reporter
  - Advertisement must contain a fair and complete description of the asset, which the department will be required to provide.
  - The advertisement must state the time and place where bids will be publicly disclosed.
  - The advertisement must state or refer to the terms and conditions of the sale.
- v. The aware will be made with reasonable promptness by notice to the responsible bidder, whose bid, conforming to the invitation for bids, will be most advantageous to RPCI, price and other factors considered. All bids may be rejected when it is in the public interest to do so.
- vi. Prior to each sale, the Contracting Officer will approve, by signature, the sale and its terms and conditions.
- vii. Employees will not be permitted to bid on assets.

d. Disposals of Property with a FMV of \$15,000 or less, and all HRI

- i. Any department that has supplies or equipment that are no longer of use to the department must dispose of them in accordance with RPCI Policy.
- ii. Items can be transferred to another department, held for future transfer, scrapped, or donated to an outside nonprofit organization.

e. Surplus Equipment

- i. When a department no longer has use for a piece of equipment, a requisition should be submitted directly to Housekeeping via the RPCI internal website.
- ii. The equipment will then be removed from its location by Housekeeping personnel only. The department must then send a completed ["Notification of Equipment Transfer Form"](#) to the Asset Management Office. Any items removed should be listed on this form. The Asset Management office will then make the necessary updates to the RPCI equipment inventory.

- iii. Under no circumstances should a department dispose of equipment without notifying the Asset Management Office.
- iv. Non-equipment items must be disposed of through the Housekeeping Department.
- v. Under no circumstances will any RPCI or HRI owned equipment or non-equipment items be sold or given to employees for personal use.

f. Donations

- i. If a department has items that can be donated to a particular not for profit organization, i.e., school, church, library, they should contact the Office of Asset Management with specific information on the item(s) to be donated.
- ii. If the items are approved for donation, a memo, on the organization's letterhead, must be obtained.
- iii. The memos should state how the item(s) are to be used and must be signed by an officer of the organization.
- iv. When the memo and the completed [Notification of Equipment Transfer Form](#) are received by the Asset Management Office, a completed "Authorization to Remove Surplus Materials" form will be sent to the department.
- v. When the authorization is received, the department can make arrangements for the transfer.

g. Theft

When equipment on RPCI campus is stolen an incident report should be filed with the Security Department. The Security Department will forward a copy of the incident report to the Asset Management Office where it will be filed pending the result of an investigation by Security.

## **E. DISTRIBUTION**

This Policy and Procedure will be distributed to all Managers via the RPCI internal web page and to holders of backup hard copies of the manual. Managers are responsible for communicating policy content to pertinent staff.
